Yu-Hao Huang, MD, is a board-certified Plastic Surgeon in Taiwan with well-training in plastic, reconstructive and aesthetic surgery at Kaohsiung Medical University. He is currently the superintendent of Espremium Aesthetic Clinic and previously the chief of International Aesthetic Medicine Center of E-DA DACHANG Hospital in Kaohsiung, Taiwan. He is also a member of the Taiwan Society of Plastic Surgery (TSPS), Taiwan Society of Aesthetic Plastic Surgery (TSAPS) and a member of International Society of Aesthetic Plastic Surgery (ISAPS). For several years, he has focused on the research and clinical studies of broad applications with fat grafting. He is also working extensively on research of improvement in fat grafting techniques, breast surgery, and eyelid surgery. He has published several scientific papers of clinical applications of fat grafting and general plastic surgery in Plastic & Reconstructive Surgery Journal, Aesthetic Surgery Journal and also Annals of Plastic Surgery Journal. In addition to regular speaking at almost many major Taiwan domestic cosmetic conferences, he has previously lectured extensively in China, Vietnam, Belgium, Canada, and also the USA. As the international instructor of Micro-Autologous Fat Transplantation (MAFT) technique and qualified trainer of Water-Jet Assisted Liposuction (WAL), he has organized periodic training courses in Taiwan for years and often performed live surgery demonstrations.
